How to check your account assets

1. Today's P/L 💡

Profit/loss based on today's price movement only.
Calculated from: today's price vs yesterday closing price.

2. Funds on Hold 💡

Money inside your account but temporarily cannot use (pending processing).
Example: deposit still not completed / selling stock not settled yet.

3. Excess Liquidity 💡

Your extra safety money in the account.
If this becomes too low → account becomes risky (margin call).

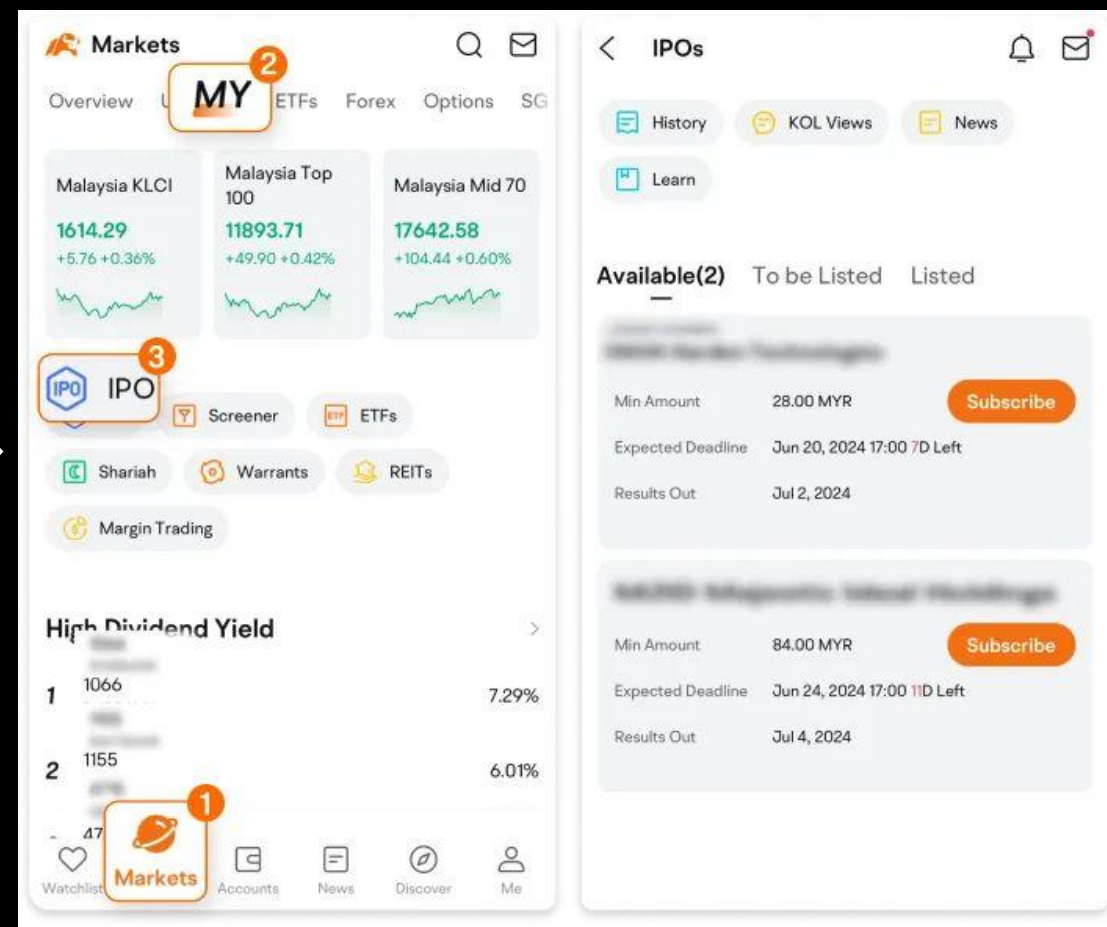

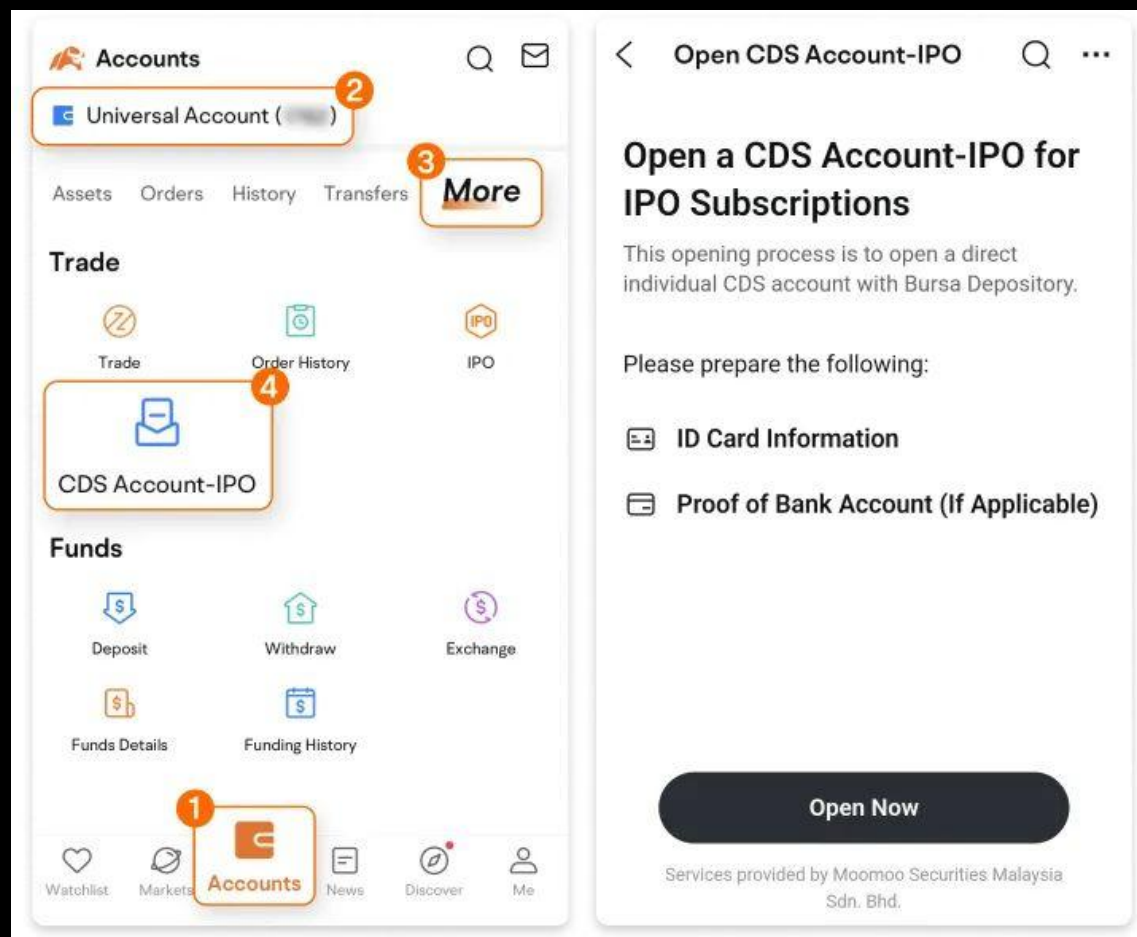

4. Total Cash 💡

Total cash you have in moomoo account (including pending cash).

5. Max Withdrawable 💡

The maximum cash you can withdraw now.
(Usually smaller than Total Cash because some cash still pending/locked.)

How to use financing to subscribe

The screenshot shows a trading application interface. At the top, there's a balance of 4800 MYR with minus and plus buttons. Below this, it shows 'Funds on Hold: 1,740.00 MYR'. There are three buttons: '4,800 (Available Cash)', '10,000 (Max Buying Power)', and '40,100 (Financing)'. The 'Subscription Method' section has two options: 'General Subscription' (Offer until 05/03 17:00 MYT) and 'Financing Subscription' (Up to 4X leverage, 6.80%, Available Financing: 235.51K MYR). A modal window is open over the 'Financing Subscription' option, titled 'Subscription Amount: 6,960.00 MYR'. It displays a bar chart with 'Available Funds (MYR)' at 1740.00 and 'Financing (MYR)' at 5220.00. Below the chart, it shows 'Financing rate 6.80%' and a slider for '4X Leverage' set at 4. A 'Confirm' button is at the bottom.
